SUBJECT No. 5.

The services of officers appointed under Local Self-Government Scheme to be entirely honorary.

Messrs. G. Murigappa and Honne Gowda, Gubbi Taluk.

Summary of Representation.—Honorary Presidents and Vice-Presidents of Municipalities should do work without receiving any honorarium.

SUBJECT No. 6.

Increase of remuneration to patels and shanbhogs in municipalities.

Messrs. Khadrappa and K. Ramanna, Sidlaghatta Taluk

Summary of Representation.—The remuneration to patels and shanbhogs of municipalities is fixed at 3 per cent on the total collections of municipal revenue, subject to a minimum of Rs. 108. It follows therefore that the remuneration of these officials remains the same whether the collection is Rs. 2,160 or Rs. 3,600 per annum according to the provisions of Rule 322 of the Municipal Manual. This leads often to the Municipal officials collecting only the sum of Rs. 2,160 and leaving large balances in arrears. It is also very hard for these officials to subsist upon such a small income of Rs. 54 per annum. It is prayed that the above rule may be modified and a minimum of 5 per cent fixed invariably, whatever may be the collections.

SUBJECT No. 7.

Appropriation of survey numbers within municipal limits for building purposes.

Mr. D. Narahari Rao, Chamrajnagar Taluk.

Summary of Representation.—Survey numbers within the limits of the town municipalities are to be acquired before they are made available for building purposes. As much incovenience is experienced, it is requested that on recovery of 25 times the assessment, permission may be granted for the appropriation of the land for building purposes.

SUBJECT No. 8.

Improvement of cattle breeding.

Mr. C B. Gopala Rao, Kolar District Board.

Summary of Representation.—With a view to improve cattle breeding in the State, good breeding bulls may be sold at concession rates and scrub bulls may be ordered to be castrated.

SUBJECT No. 9

Introduction of Responsible Government in the State.

Messrs. C. Vasudeva Rao, Chikmagalur Taluk, and B. Srinivasa Iyengar, Bangalore Taluk.

Summary of Representation.—1. (*a*) It is respectfully suggested that early steps may be taken to introduce Responsible Government in the State, so as to be in conformity with the system in British India where they have introduced a democratic form of Government.

(*b*) Early introduction of such constitutional reforms in the State as are calculated to meet the growing wishes of the people to have a share in the administration of the country is also solicited.

2. The third year of the Montford scheme is passing in British India. The British Indian citizen is exercising more substantial political rights. We require a less costly scheme, with more substantial rights. In order to make proposals in regard to this, permission to elect a committee from the present Representative Assembly may be granted immediately.
